

## Military Grid Homework

Complete Military Grid practice exercises on both sides.

On this side **(1)** create a military grid, **(2)** draw *at least* five objects in the grid, and **(3)** write their military grid reference in the space below:

<b><i>Object</i></b>	<b><i>Military Grid Reference Point</i></b>

Place a dot and the letter in the correct position:

A 190990

B 201980

C 213009

D 219019

E 195999

Give the 6 digit grid reference for the letters:

F

G

H

I

J
